In 2015, FCC Chairman Wheeler took to the stage at a major cable industry event and told executives: "More competition would be better." I agree.

The FCC has a chance to demonstrate that it truly does prioritize competition: I urge you to reject the Charter-Time Warner Cable merger. Consumers already struggle to pay our cable and Internet bills - and many of us can't even afford to get connected in the first place. We need faster, more affordable Internet access - not another merger.

Stop Charter before it hikes prices, broadens the digital divide and forms a cartel with Comcast to kill consumer choice and competition.
