

Master Services Agreement
Eau Claire County Sheriff's Office (WI)
A300573

This Master Services Agreement (this "Agreement") is by and between Eau Claire County Sheriff's Office ("you" or "Customer") and Securus Technologies, Inc., ("we," "us," or "Provider"). This Agreement supersedes any and all other agreements (oral, written, or otherwise) that may have been made between the parties and shall be effective as of the last date signed by either party (the "Effective Date").

Whereas the Customer desires that Provider install an inmate telecommunication system and provide telecommunications and maintenance services according to the terms and conditions in this Agreement according to the Schedule and Work Orders, which are incorporated by reference into this Agreement;

Whereas the Provider agrees to install the inmate telecommunications system and provide telecommunications and maintenance services according to the terms and conditions in this Agreement and the Schedule and Work Orders, which are incorporated by reference into this Agreement;

Now therefore, in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

1. Applications. This Agreement specifies the general terms and conditions under which we will perform certain inmate-related services and applications (the "Application(s)") for you. Additional terms and conditions with respect to the Applications will be specified in the schedules entered into by the parties and attached hereto (the "Schedules"). The Schedules are incorporated into this Agreement and are subject to the terms and conditions of this Agreement. In the event of any conflict between this Agreement and a Schedule, the terms of the Schedule shall govern. In the event of any conflict between any two Schedules for a particular Application, the latest in time shall govern.

2. Use of Applications. You grant us the exclusive right and license to install, maintain, and derive revenue from the Applications through our inmate systems (including, without limitation, the related hardware and software) (the "System") located in and around the inmate confinement facilities identified on the Schedules (the "Facilities"). You are responsible for the manner in which you use the Applications. Unless expressly permitted by a Schedule or separate written agreement with us, you will not resell the Applications or provide access to the Applications (other than as expressly provided in a particular Schedule), directly or indirectly, to third parties. During the term of this Agreement and subject to the remaining terms and conditions of this Agreement, Provider shall be the sole and exclusive provider of existing and any future inmate related telephone communications, including but not limited to inmate phone calls, prepaid calling cards, and debit calling at the Facilities in lieu of any other third party providing such inmate telephone communications, including without limitation, Customer's employees, agents, or subcontractors.

3. Compensation. Compensation for each Application, if any, and the applicable payment addresses are as stated in the Schedules.

4. Term. The initial term of this Agreement (the "Initial Term") shall begin on the Effective Date and shall end on February 27, 2014. Unless one party delivers to the other written notice of non-renewal at least ninety (90) days before the end of the then current term, this Agreement shall automatically renew for one (1) successive period of twelve (12) months. Notwithstanding anything to the contrary, the terms and conditions of this Agreement shall continue to apply to each Schedule for so long as we continue to provide the Application to you after the expiration or earlier termination of this Agreement.

5. Service Level Agreement and Limited Remedy. We are committed to providing you with reliable, high quality Applications and we offer certain assurances about the quality of our Applications (the "Service Level Agreement"). The Service Level Agreement for each Application is as set forth in the applicable Schedule. THE SERVICE LEVEL AGREEMENT SETS FORTH THE SOLE AND EXCLUSIVE REMEDIES FOR FAILURE OR DEFECT OF AN APPLICATION. WE DISCLAIM ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ANY IMPLIED WARRANTY ARISING FROM A COURSE OF DEALING OR USAGE OF TRADE, AND NONINFRINGEMENT.

6. Software License. We grant you a personal, non-exclusive, non-transferable license (without the right to sublicense) to access and use certain proprietary computer software products and materials in connection with the Applications (the

"Software"). The Software includes any upgrades, modifications, updates, and additions to existing features that we implement in our discretion (the "Updates"). Updates do not include additional features and significant enhancements to existing features. You are the license holder of any third-party software products we obtain on your behalf. You authorize us to provide or preinstall the third-party software and agree that we may agree to the third-party End User License Agreements on your behalf. Your rights to use any third-party software product that we provide shall be limited by the terms of the underlying license that we obtained for such product. The Software is to be used solely for your internal business purposes in connection with the Applications at the Facilities. You will not (i) permit any parent, subsidiary, affiliated entity, or third party to use the Software, (ii) assign, sublicense, lease, encumber, or otherwise transfer or attempt to transfer the Software or any portion thereof, (iii) process or permit to be processed any data of any other party with the Software, (iv) alter, maintain, enhance, disassemble, decompile, reverse engineer or otherwise modify the Software or allow any third party to do so, (v) connect the Software to any products that we did not furnish or approve in writing, or (vi) ship, transfer, or export the Software into any country, or use the Software in any manner prohibited by the export laws of the United States. We are not liable with regard to any Software that you use in a prohibited manner.

7. Ownership and Use. The System, the Applications, and related records, data, and information shall at all times remain our sole and exclusive property unless prohibited by law, in which event, we shall have the unlimited right to use such records, data, and information for investigative and law enforcement purposes. However, during the term of this Agreement and for a reasonable period of time thereafter, we will provide you with reasonable access to the records. We (or our licensors, if any) have and will retain all right, title, interest, and ownership in and to (i) the Software and any copies, custom versions, modifications, or updates of the Software, (ii) all related documentation, and (iii) any trade secrets, know-how, methodologies, and processes related to our Applications, the System, and our other products and services (the "Materials"). The Materials constitute proprietary information and trade secrets of Provider and its licensors, whether or not any portion thereof is or may be the subject of a valid copyright or patent.

8. Legality/Limited License Agreement. For services related to Applications which may allow you to monitor and record inmate or other administrative telephone calls, or transmit or receive inmate electronic messages ("e-mail"); by providing the Application, we make no representation or warranty as to the legality of recording or monitoring inmate or administrative telephone calls or transmitting or receiving inmate e-mail messages. Further, you retain custody and ownership of all recordings, and inmate e-mail messages; however you grant us a perpetual limited license to compile, store, and access recordings or inmate calls and access inmate e-mail messages for purposes of (i) complying with the requests of officials at the Facility, (ii) disclosing information to requesting law enforcement and correctional officials as they may require for investigative, penological or public safety purposes, (iii) performing billing and collection functions, or (iv) maintaining equipment and quality control purposes. This license does not apply to recordings of inmate calls or e-mail messages with their attorneys or to recordings or e-mail messages protected from disclosure by other applicable privileges.

9. Confidentiality and Non-Disclosure. The System, Applications, and related call records and information (the "Confidential Information") shall at all times remain confidential to Provider. You agree that you will not disclose such Confidential Information to any third party without our prior written consent. Because you will be able to access confidential information of third parties that is protected by certain federal and state privacy laws through the Software and Applications, you shall only access the Software with computer systems that have effective firewall and anti-virus protection. Moreover, you acknowledge that the contents of this contract constitute proprietary trade secrets and represent that you have not disclosed the terms and conditions of this Agreement to anyone outside of your organization save your legal representative. You warrant that you will keep the terms and conditions of this Agreement confidential and, unless required by court order or statute, will not disclose such information without Provider's express written consent (except that you may disclose the contents of this Agreement to your attorney or tax advisor, if any, but only after informing those persons that they must keep confidential the information contained herein). Before complying with any such court order or statute, you agree to notify Provider so that it may assert any rights to non-disclosure that it may have under the applicable law.

10. Claims. To the fullest extent allowed by applicable law, each party by itself and/or its employees, agents, or contractors agrees to be responsible for any loss, cost, claim, liability, damage, and expense (including, without limitation, reasonable attorney's fees and expenses) (collectively "Claims") arising out of (i) a breach of its own representations, warranties, and/or covenants contained herein, or (ii) gross negligence or willful misconduct, or (iii) actual or alleged intellectual property infringement.

Furthermore, the parties understand and agree that each one is subject to federal, state, and local laws and regulations, and each party bears the burden of its own compliance. Provider agrees to install and implement the Inmate Telephone System according to the law governing Provider, the instruction it receives from Customer as to Customer's requirements under the law, and according to Customer's facility's demographics. Customer agrees to indemnify Provider against any and all Claims arising out of or related to instruction Provider receives from Customer.

11. Insurance. We maintain comprehensive general liability insurance having limits of not less than \$2,000,000.00 in the aggregate. You agree to provide us with reasonable and timely written notice of any claim, demand, or cause of action made

or brought against you arising out of or related to the utilization of the Applications and the System in which the Provider is brought in as a co-defendant in the Claim. We have the right to defend any such claim, demand, or cause of action at our sole cost and expense and within our sole and exclusive discretion. You agree not to compromise or settle any claim or cause of action arising out of or related to the use of the Applications or System without our prior written consent, and you are required to assist us with our defense of any such claim, demand, or cause of action.

12. Default and Termination. If either party defaults in the performance of any obligation under this Agreement, then the non-defaulting party shall give the defaulting party written notice of its default setting forth with specificity the nature of the default. If the defaulting party fails to cure its default within thirty (30) days after receipt of the notice of default, then the non-defaulting party shall have the right to terminate this Agreement upon thirty (30) days written notice and pursue all other remedies available to the non-defaulting party, either at law or in equity. Notwithstanding the foregoing, the thirty (30) day cure period shall be extended to ninety (90) days if the default is not reasonably susceptible to cure within such thirty (30) day period, but only if the defaulting party has begun to cure the default during the thirty (30) day period and diligently pursues the cure of such default. Notwithstanding the foregoing, if you breach your obligations in the section entitled "Software License" or the section entitled "Confidentiality", then we shall have the right to terminate this Agreement immediately.

13. Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, NEITHER PARTY SHALL HAVE ANY LIABILITY FOR INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, LOSS OF PROFITS OR INCOME, LOST OR CORRUPTED DATA, OR LOSS OF USE OR OTHER BENEFITS, HOWSOEVER CAUSED AND EVEN IF DUE TO THE PARTY'S NEGLIGENCE, BREACH OF CONTRACT, OR OTHER FAULT, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. OUR AGGREGATE LIABILITY TO YOU RELATING TO OR ARISING OUT OF THIS AGREEMENT, WHETHER IN CONTRACT, TORT OR OTHERWISE, SHALL NOT EXCEED THE AMOUNT WE PAID YOU DURING THE TWELVE (12) MONTH PERIOD BEFORE THE DATE THE CLAIM AROSE.

14. Uncontrollable Circumstance. We reserve the right to renegotiate or terminate this Agreement upon sixty (60) days advance written notice if circumstances outside our control related to the Facilities (including, without limitation, changes in rates, regulations, or operations mandated by law; material reduction in inmate population or capacity; material changes in jail policy or economic conditions; acts of God; actions you take for security reasons (such as lock-downs)) negatively impact our business; however, we shall not unreasonably exercise such right. Further, Customer acknowledges that Provider's provision of the services is subject to certain federal, state or local regulatory requirements and restrictions which are subject to change from time-to-time and nothing contained herein to the contrary shall restrict Provider from taking any steps necessary to perform in compliance therewith.

15. Injunctive Relief. Both parties agree that a breach of any of the obligations set forth in the sections entitled "Software License," "Ownership and Use," and "Confidentiality" would irreparably damage and create undue hardships for the other party. Therefore, the non-breaching party shall be entitled to immediate court ordered injunctive relief to stop any apparent breach of such sections, such remedy being in addition to any other remedies available to such non-breaching party.

16. Force Majeure. Either party may be excused from performance under this Agreement to the extent that performance is prevented by any act of God, war, civil disturbance, terrorism, strikes, supply or market, failure of a third party's performance, failure, fluctuation or non-availability of electrical power, heat, light, air conditioning or telecommunications equipment, other equipment failure or similar event beyond its reasonable control; provided, however that the affected party shall use reasonable efforts to remove such causes of non-performance.

17. Notices. Any notice or demand made by either party under the terms of this Agreement or under any statute shall be in writing and shall be given by personal delivery; registered or certified U.S. mail, postage prepaid; or commercial courier delivery service, to the address below the party's signature below, or to such other address as a party may designate by written notice in compliance with this section. Notices shall be deemed delivered as follows: personal delivery – upon receipt; U.S. mail – five days after deposit; and courier – when delivered as shown by courier records.

18. No Third-party Beneficiary Rights. The parties do not intend to create in any other individual or entity the status of a third-party beneficiary, and this Agreement shall not be construed so as to create such status. The rights, duties, and obligations contained herein shall operate only between the parties and shall inure solely to their benefit. The provisions of this Agreement are intended to assist only the parties in determining and performing their obligations hereunder, and the parties intend and expressly agree that they alone shall have any legal or equitable right to seek to enforce this Agreement, to seek any remedy arising out of a party's performance or failure to perform any term or condition of this Agreement, or to bring an action for the breach of this Agreement.

19. Miscellaneous. This Agreement shall be governed by and construed in accordance with the laws of the State of Wisconsin. No waiver by either party of any event of default under this Agreement shall operate as a waiver of any

subsequent default under the terms of this Agreement. If any provision of this Agreement is held to be invalid or unenforceable, the validity or enforceability of the other provisions shall remain unaffected. This Agreement shall be binding upon and inure to the benefit of Provider and Customer and their respective successors and permitted assigns. Except for assignments to our affiliates or to any entity that succeeds to our business in connection with a merger or acquisition, neither party may assign this Agreement without the prior written consent of the other party. Each signatory to this Agreement warrants and represents that he or she has the unrestricted right and requisite authority to enter into and execute this Agreement, to bind his or her respective party, and to authorize the installation and operation of the System. Provider and Customer each shall comply, at its own expense, with all applicable laws and regulations in the performance of their respective obligations under this Agreement and otherwise in their operations. Nothing in this Agreement shall be deemed or construed by the parties or any other entity to create an agency, partnership, or joint venture between Customer and Provider. This Agreement cannot be modified orally and can only be modified by a written instrument signed by all parties. The parties' rights and obligations, which by their nature would extend beyond the termination, cancellation, or expiration of this Agreement, shall survive such termination, cancellation, or expiration (including, without limitation, any payment obligations for services or equipment received before such termination, cancellation, or expiration). This Agreement may be executed in counterparts, each of which shall be fully effective as an original, and all of which together shall constitute one and the same instrument. Each party agrees that delivery of an executed copy of this Agreement by facsimile transmission or by PDF e-mail attachment shall have the same force and effect as hand delivery with original signatures. Each party may use facsimile or PDF signatures as evidence of the execution and delivery of this Agreement to the same extent that original signatures can be used. This Agreement, together with the exhibits and Schedules, constitutes the entire agreement of the parties regarding the subject matter set forth herein and supersedes any prior or contemporaneous oral or written agreements or guarantees regarding the subject matter set forth herein.

CALL MANAGEMENT SYSTEM

DESCRIPTION:

Secure Call Platform: Secure Call Platform ("SCP") provides through its centralized system automatic placement of calls by inmates without the need for conventional live operator services. In addition, SCP has the ability to (a) monitor and record inmate calls, (b) automatically limit the duration of each call to a certain period designated by us, (c) maintain call detail records in accordance with our standard practices, (d) automatically shut the System on or off, and (e) allow free calls to the extent required by applicable law. We will be responsible for all billing and collections of inmate calling charges but may contract with third parties to perform such functions. SCP will be provided at the Facilities specified in the chart below.

It is agreed and understood that the cable necessary to install the inmate telecommunications system in Customer's new expansion facility, which is scheduled to open on or about June 6, 2012, is being provided by a Customer third party contractor. Provider agrees that the inmate telephone system will be installed and operational on or before such date; *provided, however*, Provider will not be responsible for any delays due to (i) Customer's failure to perform any of its obligations for the project, (ii) any of Customer's vendors' or other contractors' failure to perform any of their obligations for the project, or (iii) circumstances outside of Provider's control.

COMPENSATION:

Collect Calls. We will pay you commission (the "Commission") based on the Gross Revenues that we earn through the completion of collect calls placed from the Facilities as specified in the chart below. "True Gross Revenues" shall mean all gross billed revenues relating to completed collect calls generated by and through the Inmate Telecommunications System. Regulatory required and other items such as federal, state and local charges, taxes and fees, including transaction funding fees, transaction fees, credits, billing recovery fees, charges billed by non-LEC third parties, and promotional programs are excluded from revenue to Provider. We shall remit the Commission for a calendar month to you on or before the 30th day after the end of the calendar month in which the calls were made (the "Payment Date"). All Commission payments shall be final and binding upon you unless we receive written objection within sixty (60) days after the Payment Date. Your payment address is as set forth in the signature block below. You shall notify us in writing at least sixty (60) days before a Payment Date of any change in your payment address.

Signing Bonus. On the first day of the month following this Schedule Effective Date, we will pay you a one-time signing bonus of Ten Thousand and No/100 Dollars (\$10,000.00). If the Agreement is terminated for any reason before the end of the Initial Term, you will refund to us an amount equal to the signing bonus times a fraction, the numerator of which is the number of months between the date of termination and the end of the Initial Term, and the denominator of which is the number of months in the Initial Term plus interest on the prorated amount in the amount of the lower of (a) fifteen percent (15%) per annum and (b) the maximum rate allowed by law. You shall pay any such refund within ten (10) days after any such termination, or at our election, we may deduct the refund from any Commission we owe you. Customer acknowledges and understands that the signing bonus is a one-time payment, not a recurring or annual payment.

All such maintenance shall be conducted in accordance with the service levels in Items 1 through 10 below. All such maintenance shall be provided at our sole cost and expense unless necessitated by any misuse of, or destruction, damage, or vandalism to any premises equipment by you (not inmates at the Facilities), in which case, we may recoup the cost of such repair and maintenance through either a Commission deduction or direct invoicing, at our option. Ownership of the *Openworkstation* is transferred to the facility along with a three-year product support plan with the hardware provider. We have no obligation to provide any technical and field support services for an *Openworkstation*. CUSTOMER IS SOLELY RESPONSIBLE FOR THE MAINTENANCE OF ANY *OPENWORKSTATIONS(S)*.

4. Response Process. In the event of a System Event, where the equipment is located on Customer premises, Technical Support will either initiate remote diagnosis and correction of the System Event or dispatch a field technician to the Facility (in which case the applicable regional dispatcher will contact you with the technician's estimated time of arrival), as necessary. In the event of a System Event occurs in the centralized SCP system, technical support will initiate remote diagnosis and correction of the System Event.

5. Performance of Service. All of our repair and maintenance of the System will be done in a good and workmanlike manner at no cost to you except as may be otherwise set forth in the Agreement. With Pay Now™, the called party may immediately pay using a credit or debit card for one single call or may elect to setup and / or fund a prepaid AdvanceConnect account. INMATE DEBIT

A Debit account is a prepaid, inmate-owned account used to pay for inmate telephone calls. A Debit account is funded by transfer of inmate's facility trust/commissary account funds to inmate's Debit account. Provider will also allow inmate Friends & Family members to fund an inmate's Debit account via multiple points-of-sale. Funds deposited by Friends & Family members into an inmate's Debit account become property of the inmate. 1. DESCRIPTION.

We will provide the Automated Information Services (AIS™) as described herein through our third party vendor, Telerus. The AIS™ application is designed to automate internal inquiries from detainees and outside calls from friends and family members on one single platform. In addition, the application is designed to allow inmates' friends & families the ability to open or fund a pre-paid telephone account as well as fund an inmate's trust account. The application is accessed through a telephone IVR system that is available to all callers. Once facility staff has uploaded all required information, the system is able to automate information such as:

- Commissary Balances (Pending MIS system data flow)
- Charge Information
- Court Appearance Dates, Times, Locations
- Bond Amounts, Types
- Projected Release Dates
- Visitation Eligibility, Times

Automated Information Services 2.0 is configurable to meet the specific needs of your facility. The standard option includes automation of inmate and facility information to constituents who call your existing main telephone number and to inmates at your facility. You can also choose to add any of the following additional options (check all that apply):

- ☒ Automation of inmate and facility information to constituents (standard)
- ☒ Automation of inmate and facility information to inmates (standard)
- ☒ Ability to open or fund a Securus pre-paid telephone account
- ☒ Ability to fund an inmate trust account

The application provides all information automatically without staff intervention 24/7 from any standard day-room or outside telephone with no new wiring required. Facility staff personnel must maintain information on the system. Customer shall be responsible for any/all integration fees incurred by their JMS/MIS system provider in order for AIS to receive inmate data.

2. COMPENSATION:

AIS™ is free of charge during the Term of the Agreement with Provider where:

- a. Customer maintains an Average Daily Population (ADP) of at least 85 for the duration of its existing inmate telephone contract with Provider; and
- b. Customer agrees to both phone and trust funding features; and
- c. Customer has agreed to a two (2) year extension to the existing inmate phone contract with Provider.

Compensation is determined by the AIS features chosen. Provider reserves the right to modify and increase compensation if the feature set is modified or changed by Facility after contract execution.

6. **Additional Applications.** As of the Second Amendment Effective Date, the following Applications are added to the Agreement:

ADVANCECONNECT SINGLE CALL™

DESCRIPTION

Securus' AdvanceConnect™ payment product allows family members and friends to pre-pay for calls originating from inmates in correctional facilities. AdvanceConnect™ gives consumers the choice to pre-pay for multiple calls or for a single call just before connection using the AdvanceConnect Single Call™ feature. AdvanceConnect Single Call™ allows friends and family to fund the minimum to complete the current inbound call and replaces Provider's Instant Pay™ program.

COMPENSATION

AdvanceConnect Single Call™ transactions are rated at the FCC-regulated fee (currently \$3 for automated transactions) plus the applicable per-minute rate and any applicable federal, state, and local taxes.

AdvanceConnect Single Call™ is commissioned like an AdvanceConnect™ call that does not use this feature.

INVESTIGATOR PRO™

DESCRIPTION:

Investigator Pro™ is a telephone safety, security, and investigative feature of SCP. Investigator Pro™ uses continuous voice identification technology to determine what inmate(s) are speaking on the call, detect certain three-way call violations, and help investigators find correlations between calls that might otherwise go undetected. Inmates must participate in a supervised voice print enrollment process. This inmate voice print enrollment process will be the responsibility of Customer.

COMPENSATION:

The cost of Investigator Pro™ was considered and included in offering the Commission percentage and other terms contained herein.

OUTBOUND VOICEMAIL

DESCRIPTION:

Outbound Voicemail allows friends and family (F&F) to retrieve voicemails left by inmates. If an inmate attempts to call F&F but the call goes unanswered, the inmate is given the option to leave a voicemail. If the Inmate leaves a voicemail, a text message containing a link will be sent to the dialed number. Once the F&F clicks the link, they will be sent to a web form to pay and listen to the voicemail.

COMPENSATION:

Outbound Voicemail is priced at the applicable AdvanceConnect calling rates, based on the actual duration of the call, plus any applicable taxes and a \$3.00 transaction fee.

Outbound Voicemail will be commissioned in the same manner as a comparable AdvanceConnect call, and the commission will be based on your current contracted commission rate for a typical AdvanceConnect call. Once Outbound Voicemail is deployed, facilities will be commissioned on the usage portion on purchased voicemails only.

Provider will initially deploy 72 free basic community tablets to Facility and 4 charging stations. In addition to the free basic community tablets, Provider will offer personal rental tablets with premium content. Earbuds are available for purchase at \$5.66 per set, which may be invoiced or deducted from commissions. In addition to the Purchase Price, Customer shall pay all taxes and any third-party expenses associated with the earbud purchase, including but not limited to any shipping and handling. Each earbud order must (1) be for at least 25 units; and (2) be made in 25 unit increments. Provider may, at its option, decline to fulfill any order that does not conform to these requirements. Customer will not allow the resale of the earbuds for more than \$5.66 per set unless approved by Provider.

Premium content may include, but is not limited to, songs, games, movies, and television episodes. Customer understands and acknowledges that premium content is subject to availability and may change at Provider's discretion. Premium content also may be subject to third-party licensing agreements with content providers.

For the 12-month period following the Effective Date, Provider will offer personal rental tablets at a promotional rate of \$5.00 per tablet per month plus applicable taxes and/or fees. Provider will offer premium content at the following prices:

- Television Episodes - \$0.99 - \$9.99
- Videos Rental - \$0.49 - \$14.99
- Videos Purchase - \$1.99 - \$19.99

Provider will pay Customer 10% of the gross revenue earned through the rental of personal tablets and the purchase of premium content on the personal rental tablets. The subscription fee and premium content fees can be paid by using either Inmate Debit or a tablet user account. The parties reserve the right to renegotiate the \$5.00 promotional rental rate and/or commissions earned if, after the initial 12-month period, Provider's tablet-related costs exceed the gross revenue generated.

TERMS & CONDITIONS:

Customer represents and warrants that it will not provide the SecureView Tablet Solution to inmates whom Customer knows or reasonably suspects pose a threat to other inmates or Facility personnel, or who may use an Inmate Tablet in a dangerous or unauthorized manner.

Customer understands and acknowledges that premium content is rented and available only for the duration of an inmate's incarceration at the Facility and will not be made available upon the inmate's release.

Customer further understands and acknowledges that, in instances where inmate telephone calls originate from Tablets, Investigator Pro™ works only with Provider's certified earbuds. If Customer elects to sell alternative earbuds, Customer forgoes the effectiveness of Investigator Pro's™ voice identification technology on Tablet calls. Moreover, Customer will refrain from the sale or distribution of earbuds with a microphone other than Provider's certified earbuds.

PROVIDER DOES NOT MAKE AND HEREBY DISCLAIMS ANY WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO THE SECUREVIEW TABLET SOLUTION. PROVIDER DOES NOT GUARANTEE OR WARRANT THE CORRECTNESS, COMPLETENESS, LEGALITY, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OF THE SECUREVIEW TABLET SOLUTION.

**Schedule: SECURUS VIDEO VISITATION
EAU CLAIRE COUNTY (WI)
A300573**

This Securus Video Visitation Schedule is made part of and governed by the Master Services Agreement (the "Agreement") executed between Securus Technologies, Inc. ("we" or "Provider" or "Securus") and Eau Claire County Sheriff's Office ("you" or "Customer"). The terms and conditions of the Agreement are incorporated herein by reference. This Schedule will be coterminous with the Agreement ("Schedule Effective Date").

In addition to the Applications otherwise being provided to Customer pursuant to the Agreement, Provider will deploy a Video Visitation System as specified in Attachment 1 at the Facility(s) during the Term of the Agreement.

TERMS:

Provider will charge Securus Video Visitation session charges that are in compliance with state and federal regulatory requirements plus applicable taxes/fees/surcharges, and Provider may impose time limitations on Video Visitation sessions at its discretion; provided, however, that Provider reserves the right, at its sole option, to (i) offer promotional pricing, (ii) offer monthly flat rate subscription services, which would allow for unlimited monthly remote visits (certain restrictions may apply), and (iii) to extend the duration of visitation sessions. Notwithstanding the foregoing, all charges described in the foregoing sentence will be determined with input from Customer. If Customer wishes to offer free sessions for any reason other than as allowed pursuant to the Agreement, a session charge equal to the then-current session rate, plus applicable taxes/fees/surcharges, will apply and will be invoiced to Customer. As used herein, "remote" Video Visitation sessions will mean sessions where the inmate's visitor is visiting from a location not on Customer's premises. "On-site" Video Visitation sessions will mean sessions where the inmate's visitor is visiting from a terminal located on Customer's premises.

Customer will allow Provider to market and promote the use of the Video Visitation System to the inmates, in-person visitors, phone call participants and potential friends and family end users of the System by allowing Provider to (a) distribute Securus' promotional literature in the Facility's visitation lobby; (b) unless otherwise prohibited by Customer's telephone service contract, add a recording to the IVR phone system promoting Securus Video Visitation Services to phone call participants; and (c) issue a joint press release regarding the execution of this agreement by both parties. All Video Visitation sessions must be scheduled online by the visitor by accessing Provider's website at www.securustech.net.

If applicable, all recorded Video Visitation sessions will have a standard retention of 120 days from the recording date. It is the responsibility of Customer to remove any desired recordings from the housing location for permanent storage within 120 days of their recordings as they may be permanently deleted by Provider after that time. Provider is not responsible for the loss or quality of any such recordings or the deletion of such recordings after 120 days. Further, it is Customer's sole responsibility to (i) establish and communicate its policies regarding the monitoring and/or recording of private visits (i.e., attorney/client visits, clergy visits or other visits approved and implemented by Customer), and (ii) provide for appropriate accommodations to allow for non-recorded visits, as necessary.

PAYMENT OPTIONS:

The upfront and recurring operational costs for the deployment, management and support of the Video Visitation System are set forth in the Sales Order Form contained in Attachment 1 hereto (the "Total Costs"). Customer, at its option, may either elect to pay the Total Costs itself or have Provider pay the Total Costs by choosing one of the following options (place a check ("✓" or "X") next to option selected):

- ☐ **Option 1:** Customer elects to pay all of the Total Costs set forth in Attachment 1 hereto. By choosing this option, the four additional requirements listed under Option 2 will not apply.
- ☒ **Option 2:** Customer elects to have Provider pay the Total Costs set forth in Attachment 1. By choosing this option, Customer agrees to implement the following additional requirements (which are designed to (i) maximize the full utilization of the Video Visitation System at the Facility(s), (ii) assist Customer in maximizing the scheduling System Software, (iii) improve and automate manual visitation processes, (iv) increase officer safety, (v) maximize the options to the inmates and public to conduct visitation, and (vi) thus allow Provider to recover the total costs over time):

1. Customer will allow inmates to conduct remote visits without quantity limits other than for punishment for individual inmate misbehavior.
2. All on-site Video Visitation sessions will be required to be scheduled at least 24 hours in advance, where practicable.

Further, because Customer elects to have Provider fund the Total Cost identified on the attached Sales Order Form, if the Agreement is terminated for any reason other than Provider's default before the end of the Term, Customer will refund the prorated amount of the Total Cost as set forth in the attached Sales Order Form. Customer will pay such refund within 10 days after such termination, or, at Provider's election, Provider may deduct the refund from any Commission owed to Customer.

Notwithstanding anything to the contrary, the parties acknowledge that the provision of the Video Visitation services hereunder is based on Customer's estimated Average Daily Population and a minimum of one remote paid visit per inmate per month. Therefore, if the number of remote paid visits averages less than one per inmate per month, Provider reserves the right, no sooner than 12 months after the execution of this Agreement, to renegotiate payment hereunder or discontinue the services.

Provider will be responsible for Jail Management System (JMS) and Commissary integration fees as well as any electrical installation associated with the initial deployment of the Video Visitation System. Customer is responsible for all Jail Management System (JMS) and Commissary integration fees as well as any electrical installation costs that arise after the initial deployment of the Video Visitation System.

COMPENSATION: (Paid Remote Video Visitation Only)

Video visitation is not an FCC regulated telecom service; accordingly, in exchange for Customer allowing Provider to utilize Customer's property and wiring for placement of video visitation terminals, Provider agrees to pay Customer a percentage of the session charges paid to Provider, excluding applicable taxes/fees/surcharges, for Video Visitation sessions placed to Customer's Facilities as specified in the chart below (the "Video Visitation Payment"). Provider reserves the right to deduct Video Visitation session credits from revenue upon which payments to Customer are calculated. Provider will remit the Video Visitation Payment for a calendar month to Customer on or before the 30th day of the following calendar month in which the paid remote Video Visitation sessions were held (the "Payment Date"). All Video Visitation Payments will be final and binding upon Customer unless Provider receives written objection within 60 days after the Payment Date.

Type of Video Visitation	Video Visitation Payment (Paid Remote Video Visitation Only)
Remote Paid	20%*

* Provider will pay the Video Visitation Payment for those months in which the number of monthly remote paid visits is greater than 1.5 times the Facility(s) Average Daily Population for that month, excluding visits paid with a Video Visitation session credit. Video Visitation Payments are paid in one-month arrears and are not subject to retroactive payments or adjustments for notice delays. It is Customer's responsibility to notify Provider in writing to effect the Video Visitation Payment. Notice must be signed by a person who has binding authority for Customer and a copy delivered to:

WARRANTY: Provider warrants that the services it provides as contemplated in and by this Schedule will be performed in a good and workmanlike manner consistent with industry standards and practices. Provider further warrants that its agent(s) and/or employee(s) utilized by it in the performance of its obligations under this Schedule will be qualified to perform the contracted services. Should any errors or omissions arise in the rendering of the services under this Schedule, Provider will undertake to correct such errors or omissions within a reasonable time period.

Provider agrees to repair and maintain the Video Visitation System in good operating condition (ordinary wear and tear excepted), including, without limitation, furnishing all parts and labor. All such maintenance will be provided at

Provider's sole cost and expense unless necessitated by any misuse of, or destruction, damage, or vandalism to any premises equipment by Customer (not inmates at the Facilities), in which case, we may recoup the cost of such repair and maintenance through either a Commission deduction or direct invoicing, at our option. Customer agrees to promptly notify Provider in writing after discovering any misuse of or destruction, damage, or vandalism to the equipment.

If Customer purchases from Provider any hardware components in connection with the services hereunder ("Hardware Components"), Provider warrants such components to be free from material defects under normal use, maintenance and service for a period of 12 months from the date of installation of the Hardware Components. This warranty will be conditional on Customer's compliance with the provisions of this Warranty section.

Provider makes no warranty with respect to low performance, damages or defects in any Hardware Component caused by misuse, misapplication, neglect or accident, nor does Company make any warranty as to any Hardware Component that has been repaired or altered in any way, which, in the sole judgment of Provider affects the performance or purpose for which the Hardware Component was manufactured.

When applicable, Provider will provide the required replacement parts and components free of charge.

THE WARRANTY OBLIGATIONS OF PROVIDER WITH RESPECT TO THE HARDWARE COMPONENTS ARE STRICTLY LIMITED TO THE REPLACEMENT OF ANY DEFECTIVE HARDWARE COMPONENT. IN NO EVENT AND UNDER NO CIRCUMSTANCES WILL THE LIABILITY OF PROVIDER EXCEED THE UNIT PRICE PAID BY CUSTOMER FOR ANY DEFECTIVE HARDWARE COMPONENT OR PART THEREOF.

EXCEPT AS EXPRESSLY SET FORTH HEREIN OR IN A SCHEDULE TO THE AGREEMENT, THE SERVICES AND ANY HARDWARE COMPONENT TO BE PROVIDED HEREUNDER ARE PROVIDED WITHOUT ANY OTHER WARRANTY OR GUARANTY OF ANY KIND AND PROVIDER DISCLAIMS ANY OTHER EXPRESS OR IMPLIED WARRANTY, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

OWNERSHIP AND USE. The Video Visitation System and Software will at all times remain Provider's sole and exclusive property. Provider (or Provider's licensors, if any) have and will retain all right, title, interest, and ownership in and to (i) the Software and any copies, custom versions, modifications, or updates of the Software, (ii) all related documentation, and (iii) any trade secrets, know-how, methodologies, and processes related to Provider's Applications, the Video Visitation System, and Provider's other products and services (the "Materials"). The Materials constitute proprietary information and trade secrets of Provider and its licensors, whether or not any portion thereof is or may be the subject of a valid copyright or patent.

LEGALITY/LIMITED LICENSE AGREEMENT: For services related to applications which may allow Customer to monitor and record inmate visitation sessions, by providing the application, Provider makes no representation or warranty as to the legality of recording or monitoring such sessions. Customer may utilize settings to disable the monitoring and recording function to prevent monitoring and recording of private sessions (i.e., attorney client privileged communications, clergy visits, etc.) which will be Customer's sole responsibility to identify, approve and disable. Further, Customer retains custody and ownership of all recordings; however Customer grants Provider a perpetual limited license to compile, store, and access recordings for purposes of (i) complying with the requests of officials at the Facility, (ii) disclosing information to requesting law enforcement and correctional officials as they may require for investigative, penological or public safety purposes, (iii) performing billing and collection functions, or (iv) maintaining equipment and quality control purposes. This license does not apply to recordings of inmate visitation sessions with their attorneys or to recordings protected from disclosure by other applicable privileges.

IN WITNESS WHEREOF, the parties have caused this Video Visitation Schedule to be executed as of the Schedule Effective Date by their duly authorized representatives.
