Re: FOIL Request

Dear Mr. Dahlbender:

I am in receipt of your letter dated May 15, 2020, in which you have requested copies of either the County Resolutions and/or the contracts pertaining to the following;

1. Inmate Telephone Services at the County Jail
2. Inmate Tablet Services at the County Jail
3. Inmate Tele/Video Visiting Services at the County Jail

Currently, there are no resolutions or contract for telephone, tablet or video visiting services in Hamilton County. The Hamilton County Jail is a small facility with only six beds. Hamilton County uses Frontier Communications for the telephone provider, and inmates are allowed to make phone calls free of charge at my facility. Hamilton County Jail does not provide tablet services or video visiting to the inmates.

Very truly yours,
